# Getting to YVR's East Concourse

Arriving by Canada Line

1. Disembark and follow signs for 'US Departures.'
2. Proceed downstairs one level from the platform.
3. Cross the overhead walkway on P3 of the parkade toward the terminal
4. Proceed to your right and continue following signs for US departures, specifically toward check-in counters 268-276.
5. Proceed straight ahead down the terminal, passing US check-in and the entrance to the Fairmont Vancouver Airport Hotel. You'll find our Hackathon event location ahead.

Arriving by Car

1. From Grant McConachie Way, slightly turn right just before the Templeton St. intersection and into the lot.
2. Upon entry, drive up to the gate and collect the parking token by clicking the green button.
3. Please do not lose the token. Keep it within the vehicle to avoid losing it.
4. Upon exit, insert the token at the gate and it will prompt the user for payment. • Using the voucher, have it scanned on the barcode scanner to waive the fee. • The gate arms should open, guests can then proceed to exit.

To access the terminal:

The Canada Line provides free train access between the three Sea Island Stations.

5. Proceed to Templeton Station (north of the parking lot).

6. Get a free pass through the self-service kiosk.
7. Take the westbound train – YVR Airport. Exit on YVR Airport Station (2 stops). The same process is on the way back to the Value Long-Term lot.

If you require wayfinding assistance, please approach the nearest information counter, or speak with one of our Guest Experience Representatives who would be happy to assist you.

Mobility Assistance

If you or a guest would like to request mobility assistance through the terminal, service can be arranged through YVR's Customer Call Centre, which is available 24/7 at (604) 207-7077. Our Guest Experience team would be happy to offer support, whether it's from the Canada Line station or any curbside drop-off zone to the Hackathon event space.
